ENVIRONMENTAL ASSESSMENT ACT SECTION 17.12
NOTICE OF COMPLETION OF MINISTRY REVIEW

AN INVITATION TO COMMENT ON THE PROPOSED SAULT STE. MARIE SOLID WASTE MANAGEMENT ENVIROMENTAL ASSESSMENT

An environmental assessment has been submitted to the Ministry of the Environment, Conservation and Parks by the City of Sault Ste. Marie (City) for the project, the City's Solid Waste Management Environmental Assessment.

The Ministry of the Environment, Conservation and Parks has prepared a Ministry Review of the environmental assessment for Indigenous community, public and agency comment. The Ministry Review of the environmental assessment is not a decision about the project. That decision is made by the Minister of the Environment, Conservation and Parks after the comment period is over and after consideration of all submissions.

You can submit comments on the project, the environmental assessment, and the Ministry Review. You may also request a hearing by the Ontario Land Tribunal. If you request a hearing you must state in your submission, whether you are requesting a hearing on the whole application or on only specified matters related to the application.
