

Why Hailly Poole **LOVES** Canada

Hailly is a grade 5 student at St. Paul Catholic School in Sault Ste. Marie Ontario.

Hailly **LOVES** Canada because...

I live in the North in Sault Ste. Marie, Ontario. I love the freedom of the outdoors and camping at the Lake Superior Provincial Parks we have. The colors of the leaves turning, the view of Old Lady look out, and finding the coolest looking rocks along the shore. Best of all, the northern lights I got to see with my family at Rabbit Blanket Lake Camp Ground. This makes me appreciate the freedom of our Country!

I hope everyone can appreciate what our Country has to offer.
