

LEISURE SERVICES INFORMATION DIRECTORY APPLICATION COMMUNITY SERVICES DEPARTMENT - RECREATION AND CULTURE DIVISION

Our Role...

The role of the Recreation and Culture Division of the City of Sault Ste. Marie is to strive to ensure opportunities exist for the provision of and participation in recreational and cultural activities for people who live in and visit Sault Ste. Marie. Recreation and culture are essential and should be included as part of everyone's daily lifestyle.

Through the existence of this Leisure Services Information Directory, individuals in our community are encouraged to enhance their quality of life by learning how to make the best use of their leisure time.

HOW TO USE THE LEISURE DIRECTORY

Each leisure activity has been organized alphabetically.

Many of the leisure services and activity groups in Sault Ste. Marie are organized by volunteers. As a result, many of the contact names listed are home phone numbers. Please be patient when trying to reach someone at that phone number.

This Directory is updated on an annual basis; however, members of these volunteer organizations constantly change. You may find that some of the contact names and phone numbers within the directory will not remain constant. If you are unable to reach an appropriate contact person, whether it be for a facility, service or activity group, please call the Community Services Department, Recreation and Culture Division at 759-5310. We would be glad to refer you to the new contact person.
