

REQUEST FOR SURPLUS FILL

Surplus fill may be obtained from construction projects if the project is being conducted close to your fill location, the fill is not contaminated, and placing the fill will not impede surface runoff or compromise Conservation Authority fill regulations.

Once a complete Surplus Fill Consent and Release form is submitted, the Engineering Department and Sault Ste. Marie and Region Conservation Authority approval will be obtained on your behalf.

SURPLUS FILL – CONSENT AND RELEASE A.4

NOTE: THIS FORM IS ONLY APPLICABLE FOR THE YEAR THAT FILL IS REQUESTED

For the purpose of depositing fill at my/our request and hereby release, remise and forever discharge the Corporation of the City of Sault Ste. Marie, its employees, agents and contractors and each of them, of and from any and all claims of any nature or kind whatsoever arising either directly or indirectly, in respect of any matter or thing in consequence of or in connection with or arising out of the purposes for which this consent is granted, whether such claims arise from the negligence or default of the City of Sault Ste. Marie, its employees, agents or contractors.

The signing of this form does not guarantee the delivery of such fill. Upon receipt of the fill, the owner must call the office to cancel the order.

In addition, I/we hereby confirm that the placing of the requested fill will not interfere with any fill-sensitive areas such as steep slopes, water courses, pipe systems, etc.

I/We hereby consent to the Corporation of the City of Sault Ste. Marie, its employees, agents and contractors to enter upon the property at:
