Reconsideration of July 31, 2023 Alternative Motion – Queen Street Value Management Opportunities

Moved by: Councillor L. Dufour
 Seconded by: Councillor C. Gardi

Resolved that the report of the Director of Engineering dated July 31, 2023 concerning Queen Street Value Management Opportunities be received and that Council:

1. Approve in principle the conceptual re-design of Queen Street between Pim Street and Gore Street;
2. Approve in principle the proposed re-construction of Queen Street between, at most, Pim Street and Bruce Street, to be included in the Five Year Capital Plan, and be slated for re-construction in 2024, at an estimated cost of no greater than \$6M, to be presented for Council’s consideration at the August 28, 2023 City Council meeting;

further, if the \$6M proposed re-construction costs of Pim Street to Bruce Street is insufficient for the re-construction of the proposed re-construction area set out above, and if funding applications to assist in bringing the estimated re-construction cost down to \$6M are not successful, that staff be directed to reduce the boundaries of the proposed area for re-construction to fit within the \$6M budget for 2024;

3. Direct that staff include the re-construction of the remaining portions of Queen Street be included no sooner than every 2 years following the 2024 re-construction area set out above;
4. Direct that staff make application to every available funding pot available for downtown revitalization, whether provincially, federally, or through other organizations, to offset the anticipated municipal costs for the re-construction phases;
5. Approve the Spring Street conceptual re-design and direct staff to include the re-design in the Five Year Capital plan in a year deemed most suitable by staff.

9. Unfinished Business, Notice of Motions and Resolutions Placed on Agenda by Members of Council

9.1 Northern Ontario School of Medicine University

Moved by: Councillor S. Kinach
 Seconded by: Councillor M. Scott

Whereas the City of Sault Ste. Marie recognizes the urgent need for physicians in Northern Ontario as it is experiencing a shortage of trained physicians and specialist physicians; and

Whereas life expectancy of Northern residents is more than two years lower than the Ontario average, and that mental health and addictions are at a four times higher rate; and

Whereas one in eight Northern residents does not have access to a family doctor and many must travel long distances to access health-care services, representing the failure of health care to many in Northern Ontario; and

Whereas communities in Northern Ontario require access to equitable health care, especially underserved rural, Indigenous, and Francophone communities; and

Whereas Northern Ontario School of Medicine (NOSM) University’s current base funding rates have not been increased sufficiently to accommodate growth and expansion, or recognition of the added costs stemming from the medical school becoming an independent university;

Now Therefore Be It Resolved that with the announcement of unprecedented medical expansion for the NOSM University’s medical programs, the City of Sault Ste. Marie urges the Provincial government to grant NOSM University’s request for a permanent increase in annual base funding of \$4.0 million before the end of the 2023-2024 fiscal year so it can continue to deliver on the mandate that was originally established by this Provincial Government in response to the needs of Northern municipalities;

Further Be It Resolved that a copy of this resolution be forwarded to Premier Doug Ford, Minister of Health and Deputy Premier Sylvia Jones, Minister of Colleges and Universities Jill Dunlop, MPPs Greg Rickford, Vic Fedeli, George Pirie, Ross Romano, Kevin Holland; Association of Municipalities of Ontario, Northern Ontario School of Medicine University, Federation of Northern Ontario Municipalities, Northern Ontario Academic Medicine Association and the leaders of the opposition parties of Ontario.
