2020 Community Recognition Award
For Performing Arts**

Marco Roy

Marco was instrumental in the creation of a music program at Notre Dame du Sault School. His goal was to create a program in French and English where the students would look forward to developing new interests and talents. Each week, during the school year, Marco volunteers his time teaching music after school, during recess and on Sundays to the students.

The program has continued to grow under Marco's leadership. His goal is to help the students to be more interested in the French language and culture. The band plays at various community events, French soirées such as St. Jean Baptiste Day and the Catholic Church providing opportunities for the students to share their talents and French culture with the community.

The high school students participate every year at music festivals in Ottawa and Toronto. In 2016, one student was chosen out of 100 contestants to play a professionally recorded song.
