- Class sizes and the number of classes offered per swim block has been reduced.
- All lessons taught at a distance by qualified instructors to allow participants and staff to maintain a physical distance from others.
- **Participants registered in all Preschool levels (Sea Turtle to Whale) and Swim Kids 1 to 4 will be required to have a parent or caregiver (16 years of age or older) and comfortable in chest-deep water in the water with them for physical contact and safety purposes.**
- There will be limited equipment used and sanitization taking place between each use.
- Please limit the number of people that accompany swimmers to the facility to one adult in the water. Designated viewing space is very limited and those who choose to view a lesson must maintain a physical distance from others.
