Municipal Heritage Committee 2011 Heritage Award

Fiser Family, Algonquin Hotel

The Fiser's have dedicated significant time and financial resources in preserving the heritage and structural integrity of the Algonquin Hotel. They have worked hard on updating the facility for contemporary use while remaining sensitive to the heritage value.

The Fiser's have kept the Municipal Heritage Committee informed of their plans and have invited inspections of each stage of the renovations. They have utilized full advantage of programs offered such as; Grants and the Property Tax Rebate. With their prominent and highly visible site, they have improved the streetscape and neighborhood in the downtown area of Sault Ste. Marie.
