About the Per Door Grant Program

The **Per Door Grant program** is offered through the **Housing CIP**. The Per Door Grant is intended to provide an incentive towards the creation of up to 4 new housing units within the City of Sault Ste. Marie.

The City has set amounts for these grants that factor in both affordability and tenure, as well as where they are located throughout the Municipality. These grants apply to projects that contain up to four dwelling units. Affordable housing rates are determined and updated yearly through the Province's *Affordable Residential Units for the Purposes of the Development Charges Act Bulletin*. When reviewing the application, City staff will comprehensively consider the basic eligibility criteria in Section 3 of the Housing CIP and the program specific criteria noted in Section 2.4.

Per Door Grant funding is awarded on a competitive basis and is not guaranteed. Applications will be graded as per the Per Door Grant Scorecard. Please review the Score Card for details regarding the maximum number of points available under each scored criteria, located in the appendix.

Eligibility Criteria

To be eligible for a Per Door Grant, applicants must meet all the eligibility criteria in section 2.5 and 3 of the Housing CIP. Please read and review the Housing CIP before completing this application to confirm your project meets all eligibility criteria. The Housing CIP can be accessed on the City's website at: <https://saultstemarie.ca/housing>.

Affordability Commitment

Applicants who receive a grant for an affordable unit will be required to maintain affordability for at least 20 years. The owners/applicants will be required to enter into an agreement that specifies the terms, duration, and default provisions of the incentive(s) to be provided; this agreement will be registered on title of the subject lands. The City may discontinue or rescind any financial incentive where there is non-compliance with an executed agreement.

Application Review and Approval

Once an application has been received, the applicant will be notified if any information is missing, or to confirm the application is complete and being reviewed. Applications will be reviewed by Planning staff to verify information provided and confirm eligibility for the Per Door Grant per the Housing CIP criteria. Please review Section 2.4 of the Housing CIP and the Per Door Score Card (Appendix A) to see how applicants will be graded.

We aim to review and confirm Per Door Grant eligibility within three weeks of receipt of a completed application. Once staff have confirmed your eligibility, you will be notified of your successful application, the registration of the agreement will be the responsibility of the applicant. Agreements may identify required construction timelines to ensure that projects receiving a Per Door Grant are committed to moving forward with their projects expeditiously.
