Resolved that the report of the Director of Planning dated August 12, 2024 concerning application A-8-24-HP be received and that Council approve the application and remove the holding provision from the portion of the property shown on the attached maps as 'area to be rezoned'.

And that the Legal Department be requested to prepare the necessary by-law(s) to effect the same.

8.8 Boards and Committees

8.8.1 YMCA Board Appointment

Mover Councillor A. Caputo

Seconder Councillor S. Spina

Resolved that the Manager of Recreation and Culture be appointed to the YMCA Board of Directors.

9. Unfinished Business, Notice of Motions and Resolutions Placed on Agenda by Members of Council

9.1 Sensory Playground

Mover Councillor C. Gardi

Seconder Councillor M. Scott

Whereas in July 2016 the City of Sault Ste. Marie opened its first sensory playground in Bellevue Park in the east end of the community; and

Whereas since its opening, the sensory playground has been heavily used and thoroughly enjoyed by children and families; and

Whereas a sensory playground provides enhanced accessible play options and eliminates barriers to play, and provides sensory stimulation along with the promotion of family bonding; and

Whereas the City of Sault Ste. Marie should aim to provide equitable access to amenities and services in different parts of the community, especially as they relate to families and children; and

Whereas, as a community, with the establishment of the new splash pad in the west end there has been a revitalization of Manzo Park; and

Whereas many communities of Sault Ste. Marie's size have more than one sensory playground;

Now Therefore Be It Resolved that City staff be requested to explore options for the establishment of a sensory playground at Manzo Park or at any other City park in the west end of Sault Ste. Marie, and report back to City Council with options for such a playground.

9.2 Highway 17 Speed Increase

Mover Councillor S. Kinach

Seconder Councillor M. Bruni

Whereas the Ministry Transportation Ontario recently increased the maximum speed limit to 110km/hr on many newly updated sections of the Trans Canada highway on July 12, 2024; and

Whereas most of Ontario's highways were originally designed to safely accommodate speed limits of 110km/hr; and

Whereas most new model vehicles have advanced safety features such as adaptive cruise control and lane monitoring technology; and

Whereas Alberta, Manitoba, New Brunswick, Nova Scotia and Saskatchewan have a maximum speed limit of 110km/hr and British Columbia maximum speed limit is 120km/hr; and

Whereas as the Transportation Minister Prabmeet Sarkaria stated data collected from 2022 shows evidence based speed increases are a common sense change to make life more convenient for Ontario drivers while bringing our highway speed limit in line with other Canadian Provinces

Now Therefore Be It Resolved that Mayor Shoemaker be requested to write a letter to Ontario Transportation Minister Prabmeet Sarkaria for consideration of Highway 17 Sault Ste Marie to Thessalon for a maximum speed limit increase along the sections on two-lane divided highway from the current 90km/hr.

9.3 "Solve the Crisis"

Mover Councillor L. Dufour

Seconder Councillor A. Caputo

Be It Resolved That the City of Sault Ste. Marie endorses and supports the Ontario Big City Mayors in the recommended actions to "Solve the Crisis" of rising levels of homelessness, mental health issues and addiction in Ontario cities, from which Sault Ste. Marie is not exempt, which actions include:

- Appointing a single minister provincially to bring cross-ministry focus to this issue and fund that ministry appropriately;
- Have the new provincial minister strike a task force to advise and make recommendations on solutions to these issues with a cross-section of stakeholders and commit to funding the recommendations
- Provide the municipality with resources to transition homeless and underused individuals to appropriate housing with the necessary supports
- Fund a 24/7 crisis response service across the province to relieve the pressure on hospital emergency centres and first responders.
