Resolution No. 2025-092

Moved: Mayor Post

Seconded: Councillor Macintosh

Rescinding Strong Mayor Powers

Whereas the Province of Ontario initially introduced Strong Mayor Powers in 2022 with the stated intent of expediting housing development across municipalities; and

Whereas the Province of Ontario arbitrarily expanded the Strong Mayor Powers legislation to include an additional 169 municipalities in April 2025; and

Whereas municipalities across Ontario have demonstrated a commitment to addressing the housing crisis through local planning approvals and community-led solutions; and

Whereas Strong Mayor Powers fundamentally alter local democratic governance by concentrating decision-making authority in a single individual, thereby weakening the role of elected Councils and disrupting the principles of collaboration and shared leadership; and

Whereas these powers can create uncertainty within municipal organizations, impact staff morale, and risk eroding the trust that underpins effective municipal governance; and

Whereas there are currently no provincial checks and balances or independent oversight mechanisms in place to ensure Strong Mayor Powers are being used appropriately and as intended, and the legislation itself has been described by some as “open to interpretation,” creating a fundamental flaw in the responsible application of these potentially dangerous powers; and

Whereas the primary barriers to housing construction are not rooted in municipal decision-making processes, but in broader market conditions, infrastructure constraints, and the lack of effective provincial and federal policy supports to stimulate affordable and attainable housing development;

Therefore be it resolved that the Council of the Town of Orangeville formally request the Province of Ontario to rescind the Strong Mayor Powers legislation in its entirety; and

That should the legislation not be repealed, that the Province immediately remove the Town of Orangeville from the list of municipalities designated under the Strong Mayor Powers framework; and

That a copy of this resolution be forwarded to all Ontario municipalities, the Association of Municipalities of Ontario (AMO), the Federation of Canadian Municipalities (FCM), the Honourable Doug Ford, Premier of Ontario, the Honourable Rob Flack, Minister of Municipal Affairs and Housing, the Honourable Sylvia Jones, MPP for Dufferin-Caledon, Deputy Premier and Minister of Health, and the Right Honourable Mark Carney, Prime Minister of Canada for their information, support and consideration.

RE: Opposition to Strong Mayor Powers in the Municipality of Quinte West

Dear Premier Ford:

This letter will serve to advise that at a meeting of City of Quinte West Council held on May 7, 2025 Council supported the following resolution:

THAT Council receive item 12.8 Ministry of Municipal Affairs and Housing Letter
Re: Strong Mayor Powers as information;

WHEREAS the Ontario government has proposed expanding the "strong mayor" powers to 169 additional municipalities under the proposed legislation on May 1, 2025, which would grant mayors in these municipalities more authority, particularly concerning the control of municipal budgets, planning and operational decisions;

AND WHEREAS this proposal has raised significant concerns regarding the centralization of power, erosion of local democracy, reduced accountability, and the potential for the abuse of power;

AND WHEREAS the proposed expansion of strong mayor powers undermines the collaborative nature of municipal governance, and diminish the role of elected municipal councillors in representing the diverse interests of the community;

AND WHEREAS concerns have been raised about the negative impacts on public trust, democratic participation, and municipal decision-making processes, if mayors are given the ability to bypass council decisions without adequate consultation or oversight;

NOW THEREFORE BE IT RESOLVED THAT the Council of the City of Quinte West;

1. Does not support the proposed strong mayor powers as currently outlined;
2. Supports specific powers to mayors as it pertains to identifiable decisions regarding housing, development, infrastructure and transit to provide tools that reduce obstacles that can stand in the way of new housing and infrastructure developments;
3. Strongly suggests that free reign of decision-making regarding hiring, firing, committees and so forth be removed from the proposed authority;
4. Strongly suggests that members of current Council were duly elected officials by citizens with the awareness of one vote per council member and majority votes are the democratic process;
5. Requests that the Provincial Strong Mayor Powers proposed to take effect on May 1, 2025, be deferred to allow for greater clarity and that the Province seek collaborative input from the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO);
6. Directs staff to forward this resolution immediately to Premier Ford, Minister Flack, Tyler Allsopp, MPP Bay of Quinte, the Association of Municipalities of Ontario (AMO), the Rural Ontario Municipal Association (ROMA), and all Ontario Municipalities.

We hope that you give consideration to this request.

WHEREAS the Government of Ontario announced an expansion of strong mayor powers to an additional 169 municipalities that took effect May 1, 2025;

AND WHEREAS the Corporation of the Town of Mattawa was included in the additional 169 municipalities that gained such powers;

AND WHEREAS these powers allow mayors to unilaterally override council decisions, appoint senior municipal staff, and set budgets without majority council approval, undermining the principles of democratic governance;

AND WHEREAS municipal governance functions best through a collaborative decision-making process where elected councils, representing the collective voice of their communities, work alongside experienced municipal staff and the proposed powers has raised significant concerns regarding the centralization of power, erosion of local democracy, reduced accountability and the potential for the abuse of power;

AND WHEREAS there is no evidence to suggest that strong mayor powers have increased housing starts, contrary to the provincial government's stated justification for their implementation;

AND WHEREAS the Association of Municipal Managers, Clerks and Treasurers of Ontario (AMCTO) has raised concerns that strong mayor powers blur the lines

between political leadership and administration expertise, threatening the neutrality of municipal public service;

AND WHEREAS the Town of Mattawa has a long history of collaborative, transparent and accountable local governance built upon a foundation of Council debated and shared decision-making;

AND WHEREAS a growing number of municipalities and elected officials across Ontario are questioning the appropriateness of the strong mayor system and are calling for its reconsideration or appeal.

Dear Members of City Council:

Please reconsider your decision and instruct staff to place the King's portrait in the council chambers as soon as possible. It is simply a show of respect for the monarchy which surely you can bring yourselves to do despite any personal feelings. We are after all, members of the Commonwealth nations. I won't repeat comments of dismay expressed by others in our community since you have no doubt carefully considered each. To exclude the King's portrait is a mistake that you can easily remedy and regain the respect of many residents.

Respectfully,
Donna Irving

To all Ontario Municipalities, AMO, ROMA and FCM:

Re: Bill 5 - Risks to your communities and support requested

As Mayor of the Municipality of Chatham-Kent, I am sharing this motion to bring to your attention the potential risks to your communities and ask for your support to oppose this approach. The following motion was approved yesterday, May 12, 2025:

“Whereas 29831 Irish School Road in the Municipality of Chatham-Kent is a property approximately 800 metres from the Town of Dresden;

And Whereas the property contain small fill areas used for historic local landfill purposes, and the property has never been properly studied or zoned for any significant landfilling use;

And Whereas the current property owners are attempting to create a new recycling and landfill facility for millions of tonnes of waste, which would result in hundreds of trucks travelling through towns and communities in the area;

And Whereas this approach has been strongly opposed by Council, the Community, neighbouring Indigenous Nations and many other voices, due to impacts to the environment, our homes, the safety of our families and children, and the fabric of our communities;

And Whereas the Provincial government has proposed Bill 5, which includes a section removing the obligation for a full Environmental Assessment for this new landfill and recycling facility;

And Whereas if this limited, historic local landfill use on the edge of Dresden can be expanded into a massive landfill and recycling facility, then this can happen anywhere;

And Whereas there are likely hundreds of properties across the Province that may have had limited, historic waste uses, which could also face this threat;

And Whereas Bill 197 established a veto for Municipalities within 3.5 kms of a new landfill, which reflected the need for local government and community approval of landfill sites;

And Whereas the approach being taken for this property disregards the importance of our rural communities, and local voices, in determining appropriate landfill sites within their communities:

Cont'd...

Now Therefore to ensure that other Municipal Councils and communities know about what is happening in Dresden, and the potential risk to their community if this approach is taken by the Province, Council requests that the Mayor's Office write a letter to all other Ontario Municipalities, AMO, ROMA and FCM:

1. Advising them of this issue and the risks to their community if a similar approach is taken for other historic landfill properties; the possibility of the Ontario government setting a precedence and
2. Requesting their support in opposing this approach and ensuring that full Environmental Assessments are required for all landfills and that municipalities have a strong voice in determining appropriate locations for landfills in their communities."

Thank you for your time and attention to this important matter.

Sincerely,

Darrin Canniff, Mayor/CEO
Municipality of Chatham-Kent

Motion # 05/14/2025 - 14
Title: Bill 5, Protect Ontario by Unleashing our Economy Act
Date: Wednesday, May 14, 2025

Moved by: Jennifer Prenger
Seconded by: Beth Blackwell

Whereas the Ontario government has fast-tracked Bill 5, Protect Ontario by Unleashing our Economy Act, 2025 (Bill 5), such that it was referred to the Standing Committee on the Interior on May 6, 2025, after being first read on April 17, 2025, and

Whereas the written submission deadline for participation on Bill 5 is May 26, 2025, at 6:00 PM (EDT), and

Whereas Bill 5 would enact the Special Economic Zones Act, 2025; amend/repeal the Endangered Species Act, 2007 and replace it by enacting the Species Conservation Act, 2025; and amend various Acts including the Ontario Heritage Act, the Mining Act, the Ontario Energy Board Act, 1998, and the Electricity Act, 1998 and to revoke various regulations in relation to development and procurement, and

Whereas Bill 5 will allow the Lieutenant Governor in Council to create zones anywhere in Ontario where municipal and provincial laws will not apply, and where projects or proponents can be exempted from requirements under provisions of an Act or of a regulation, including environmental and heritage laws, and

Whereas the provisions of Bill 5 as written include anti-democratic principles and risks undermining civil liberties, Indigenous rights, the environment and local government oversight, and

Whereas the Municipality of Kincardine believes that the provincial priorities of housing, resource development and economic development can be achieved without subverting existing laws, undermining municipal authority, threatening the environment, restricting industry growth, or undermining informed consent with Indigenous communities; now therefore be it

Resolved that the Council of the Municipality of Kincardine hereby opposes Bill 5; and
That Council formally express its opposition to Bill 5 in favour of preserving democracy, transparency, accountability, the environment, civil liberties, and Indigenous rights; and

That Council encourage the province to prioritize democratic principles and governance systems that support responsible development, environmental preservation, and acknowledge our responsibility to future generations; and

That Council formally request that the Ontario government reject Bill 5; and

That a copy of this motion be forwarded to the Honourable Doug Ford, Premier of Ontario, ; the Honourable Stephen Lecce, Minister of Energy and Mines; MPP Lisa Thompson; all Ontario municipalities; the Association of Municipalities of Ontario; and the Standing Committee on the Interior.

The Honourable Arif Virani

Dear Minister Virani:

RE: Motion to amend prior motion presented to Regional Council on February 26, 2025, re: Banning the Nazi Swastika in Canada, to remove references to "Swastika" from the motion and replace them with "Nazi symbols of hate", Our File: C00

As a follow-up to our previous correspondence sent on February 28, 2025, please be advised that the Council of the Region of Durham, at its meeting held on March 26, 2025, adopted the following recommendations of the Finance & Administration Committee:

- A) That subject to a 2/3rds majority vote, the resolution with respect to Banning the Nazi Swastika in Canada, adopted at the February 26, 2025 Regional Council meeting, be reconsidered; and
- B) That subject to Part A) being approved, that the resolution be amended to replace all references to Nazi swastika(s) with the words "Nazi symbols of hate", and make any necessary associated grammatical revisions.

For your reference, the resolution now reads as follows:

"Whereas in recent years, Nazi iconography has surfaced with alarming frequency in the public sphere, used by an increasing number of groups and individuals to promote hate and instill fear within Canadian society; and

Whereas since the atrocities of WWII, the Nazi hakenkreuze, has become universally synonymous with systematic violence, terror and hate. Its growing presence in our country poses a threat to every single Canadian citizen, undermining the core values of equality, diversity, and inclusion that define our nation, and

Whereas eighteen countries have already taken action to ban these symbols, it is imperative that Canada follow suit;

Therefore be it resolved, that Durham Region Council supports B'Nai Brith's call to the Government of Canada to pass legislation banning, with exceptions for certain educational and artistic purposes, the public display of Nazi symbols of hate and iconography, including the Nazi hakenkreuze. Specifically, demanding that the Government of Canada immediately:

1. Ban the Nazi hakenkreuze
2. Ban all Nazi symbols of hate and iconography

Durham Region Council agrees that the people of Canada are counting on the federal government to ensure a future free from hate, where every Canadian is protected, valued, and respected; and

That a copy of this motion is sent to all Canadian Municipalities."

Special Meeting of Council**

Date: Wednesday, May 14, 2025

Time: 4:28 PM

Moved by: Councillor Ardiel

Seconded by: Deputy Mayor Bordignon

WHEREAS the Town of The Blue Mountains boasts a robust agricultural sector and a thriving agritourism industry, with numerous local cideries contributing significantly to the local economy, employment, and tourism;

AND WHEREAS Ontario's craft cider industry is experiencing substantial growth, with over 60 craft cideries across the province, many of which are situated in rural communities and utilize 100% Ontario-grown apples and are 100% made in Ontario, thereby supporting local agriculture and local economies;

AND WHEREAS under the current provincial tax structure, cider is officially classified and taxed at the same rate as imported wine which results in higher markups and taxes compared to craft beer, despite cider's comparable production processes and market positioning;

AND WHEREAS this tax disparity places Ontario's craft cider producers at a competitive disadvantage compared to craft brewers, despite the fact that Ontario cider utilize 100% Ontario-grown apples and is 100% made in Ontario;

AND WHEREAS the Ontario Craft Cider Association (OCCA) has been actively advocating for a tax structure that levels the playing field between craft cider and craft beer, recognizing the potential for job creation, economic growth, and the promotion of local agriculture;

AND WHEREAS the Town acknowledges and appreciates the Province's investment in marketing and promotional support for the craft cider industry, but maintains that long-term sustainability and competitiveness for Ontario cider producers requires an adjustment to the underlying tax framework;

AND WHEREAS this motion is meant to support, not oppose, initiatives for fair taxation of the Ontario Craft Cider industry the Province of Ontario may be considering.

THEREFORE BE IT RESOLVED THAT the Council of the Town of The Blue Mountains:

1. Supports the efforts of the Ontario Craft Cider Association in advocating for a fair and equitable tax structure for Ontario-made craft cider.
2. Urges the Province of Ontario to review and amend the current tax regulations to align the tax rate of craft cider with that of craft beer, thereby fostering a more balanced and supportive environment for local cider producers.
3. Acknowledges the Province of Ontario's recent investment in marketing initiatives for the cider sector, while calling for complementary reform of the tax and markup structure that continues to disadvantage cider producers relative to other craft alcohol categories;

4. Directs the Mayor to forward this resolution to the Premier of Ontario, the Minister of Finance, the Minister of Agriculture, Food and Rural Affairs, MPP Brian Saunderson, MPP Paul Vickers and MPP Nina Tangri and the County of Grey requesting their consideration and support.
5. Directs the Mayor to forward this resolution to all municipalities in Ontario, encourages other municipalities with vested interests in agriculture and agri-tourism to adopt similar resolutions, amplifying the collective voice advocating for the prosperity of Ontario's craft cider industry.

Re: Northern Health Travel Grant Program

Council of the Town of LaSalle, at its Regular Meeting held Tuesday, January 28, 2025, passed the following resolution:

14/25

Moved by: Deputy Mayor Akpata
Seconded by: Councillor Renaud

Whereas the Northern Health Travel Grant program (the "Program") offers financial assistance to Northern Ontario residents who need to travel long distances for specialized medical services or procedures at a ministry funded health care facility;

And Whereas, the grants for this Program are based on the distance residents must travel to reach the nearest medical specialist or ministry funded healthcare facility;

And Whereas, residents must travel at least 100 kilometers one-way to access the nearest medical specialist or ministry-funded healthcare facility for services that are not available locally to qualify for the grant;

And Whereas, there are many occasions in which residents of Windsor-Essex County must travel at least 100 kilometers one way to access health care facilities or services that are not available locally; And Whereas, there are four primary children's hospitals across the province, located in London, Hamilton, Toronto and Ottawa, and none of these facilities are within 100 kilometers of Windsor-Essex County;

And Whereas, it has been reported that more than 5,000 times each year pediatric patients across Windsor-Essex County must drive to London Health Sciences Centre for treatment at its Children's Hospital, which places a financial strain on families and care-givers;

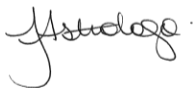

Now Therefore, the Town of LaSalle calls upon the Provincial Government and Ministry of Health to establish a grant system similar to the Northern Health Travel Grant program in Windsor-Essex County to provide support to the residents of Windsor-Essex County when they need to travel long distances for specialized medical services or procedures at ministry funded health care facilities;

And that, this motion be circulated to all municipalities for support, Premier Doug Ford, MPP Anthony Leardi, MPP Andrew Dowie, Minister of Health and Deputy Premier Ms. Sylvia Jones and all local municipalities.
