NOTICE OF APPLICATION & DEFERRED PUBLIC MEETING

1974 Base Line
Application No.: A-6-26-Z
Applicant: Michel Poirier

Date: September 21, 2026
Time: 5:00 PM

Location: City of Sault Ste. Marie
Civic Centre, Council Chambers
99 Foster Drive

This application was originally scheduled for consideration at the August 31, 2026 meeting of Council. It has been deferred to the September 21, 2026 meeting. Please note that the proposed change has been revised since the previous notice was issued.

PURPOSE

The applicant, Michel Poirier, has submitted an application to rezone the Estate Residential (R1) zoned portion of the subject property to permit small-scale agricultural uses. The proposed by-law would retain the underlying Estate Residential Zone (R1) and add a Special Exception to permit an agricultural use limited to the cultivation of vegetables, fruit and horticultural crops, including a greenhouse, and the keeping of bees. The keeping of livestock, on-site retail trade, fruit and vegetable stand, would not be permitted. The proposed by-law would also reduce setbacks to provide relief for buildings and structures on site.

PROPOSED CHANGE

Rezone the Estate Residential (R1) zoned portion of the subject property from Estate Residential Zone (R1) to Estate Residential Zone with a Special Exception (R1.S) to:

1. Permit, in addition to the uses permitted in the R1 zone, an agricultural use limited to the cultivation of vegetables, fruit and horticultural crops, including a greenhouse, hoop house, and the keeping of bees, as a principal use of the lot whether or not a dwelling exists.
2. Prohibit the keeping of livestock, retail trade, and fruit and vegetable stands.
3. Reduce the required front yard setback from 12 metres to 8 metres for all primary and accessory buildings.
4. Establish a minimum interior side yard setback to 5 metres for primary and accessory buildings associated with the permitted agricultural use.
